

A sample summative test

Hi everyone,
My name is Chin Chen from China. I am twelve years old.
I speak three languages: Chinese, English and Arabic.
I live in the capital city, Beijing in the north of China.
I like practising sports in the morning, playing computer games in the afternoon. On holidays, I go for camping near the mountain with my scouts mates.
I am happy to participate in the International Summer Scouts Camp, to represent my beloved country, China. My flag is red with one big yellow star at the left top corner, surrounded with four small yellow stars. The Chinese currency is the Yuan. The dragon is the symbol of China.
The Great Wall is one of the seven wonders in the world. It is 21.196 kilometres long. It stretches from the east to the west.
The famous national dish is the Beijing Roasted Duck.
Come and enjoy your time. Visit The Chinese Great Wall and taste our national dishes.
