Be on the Lookout!

How many different butterflies are shown on pages 11–19?

Count them and write the number here: _____

Butterflies and Grasshoppers

Read about the life cycle of a butterfly and grasshopper.

Butterfly Life Cycle

Cut.
Put the pictures in order.

1

2

3

4

I see a little egg on a leaf.
A caterpillar hatches out.
One day, the caterpillar makes
a chrysalis.
A butterfly comes out.
Soon, the butterfly flies away.

Butterfly or Grasshopper?

Circle the insect that you like better.
Tell someone why you like it.

Color Match

Draw a line to match.

orange

purple

yellow

red

green

brown

Solve

Grasshopper Puzzle

Cut out the puzzle on page 13.
Glue the pieces inside the frame.

Trace the letters.

grasshopper
